Roll one die and move your object to the appropriate box. Read each word you move over as you go. If you don't read each word, you must go back to where you started and the next player takes their turn. If you don't know a word, what strategies can you use to find out? You can ask other players for help. Each player must find their way to the 'finish' box at the top of the game by reading the words correctly. Avoid landing on the snake's head and sliding down and try to climb ahead by moving up the ladders.

Variation: When landing on a word, players can put that word into a sentence as well as reading it.
